35 Sweet And Savory Kitchen Designs That Will Make You Salivate

Jessica Ritz

Just Close your eyes. There is nothing more than a kitchen that makes hearts flutter and mouths water. Kitchen designs have come a long way since the days of the Flintstones. Today's kitchens are the perfect place for the great food that modern cooks are today, with the help of the right tools, appliances, and design. Here are 35 of the most sweet and savory kitchen designs.

For the variety-obsessed home-lovers-and-chefs-out-there, Napoleon the Bam Bam, an artisan-inspired kitchen with a mix of modern and rustic elements.

Designer: Jessica Davis Design Firm Project Location: Hampstead, MD Research: Kitchen Design Firm Project Description: This kitchen was a complete gut job. The client wanted a very rustic feel, so we used reclaimed wood for the cabinets and countertops and the floor is made of reclaimed barn wood. The island is a butcher block with a marble top.
